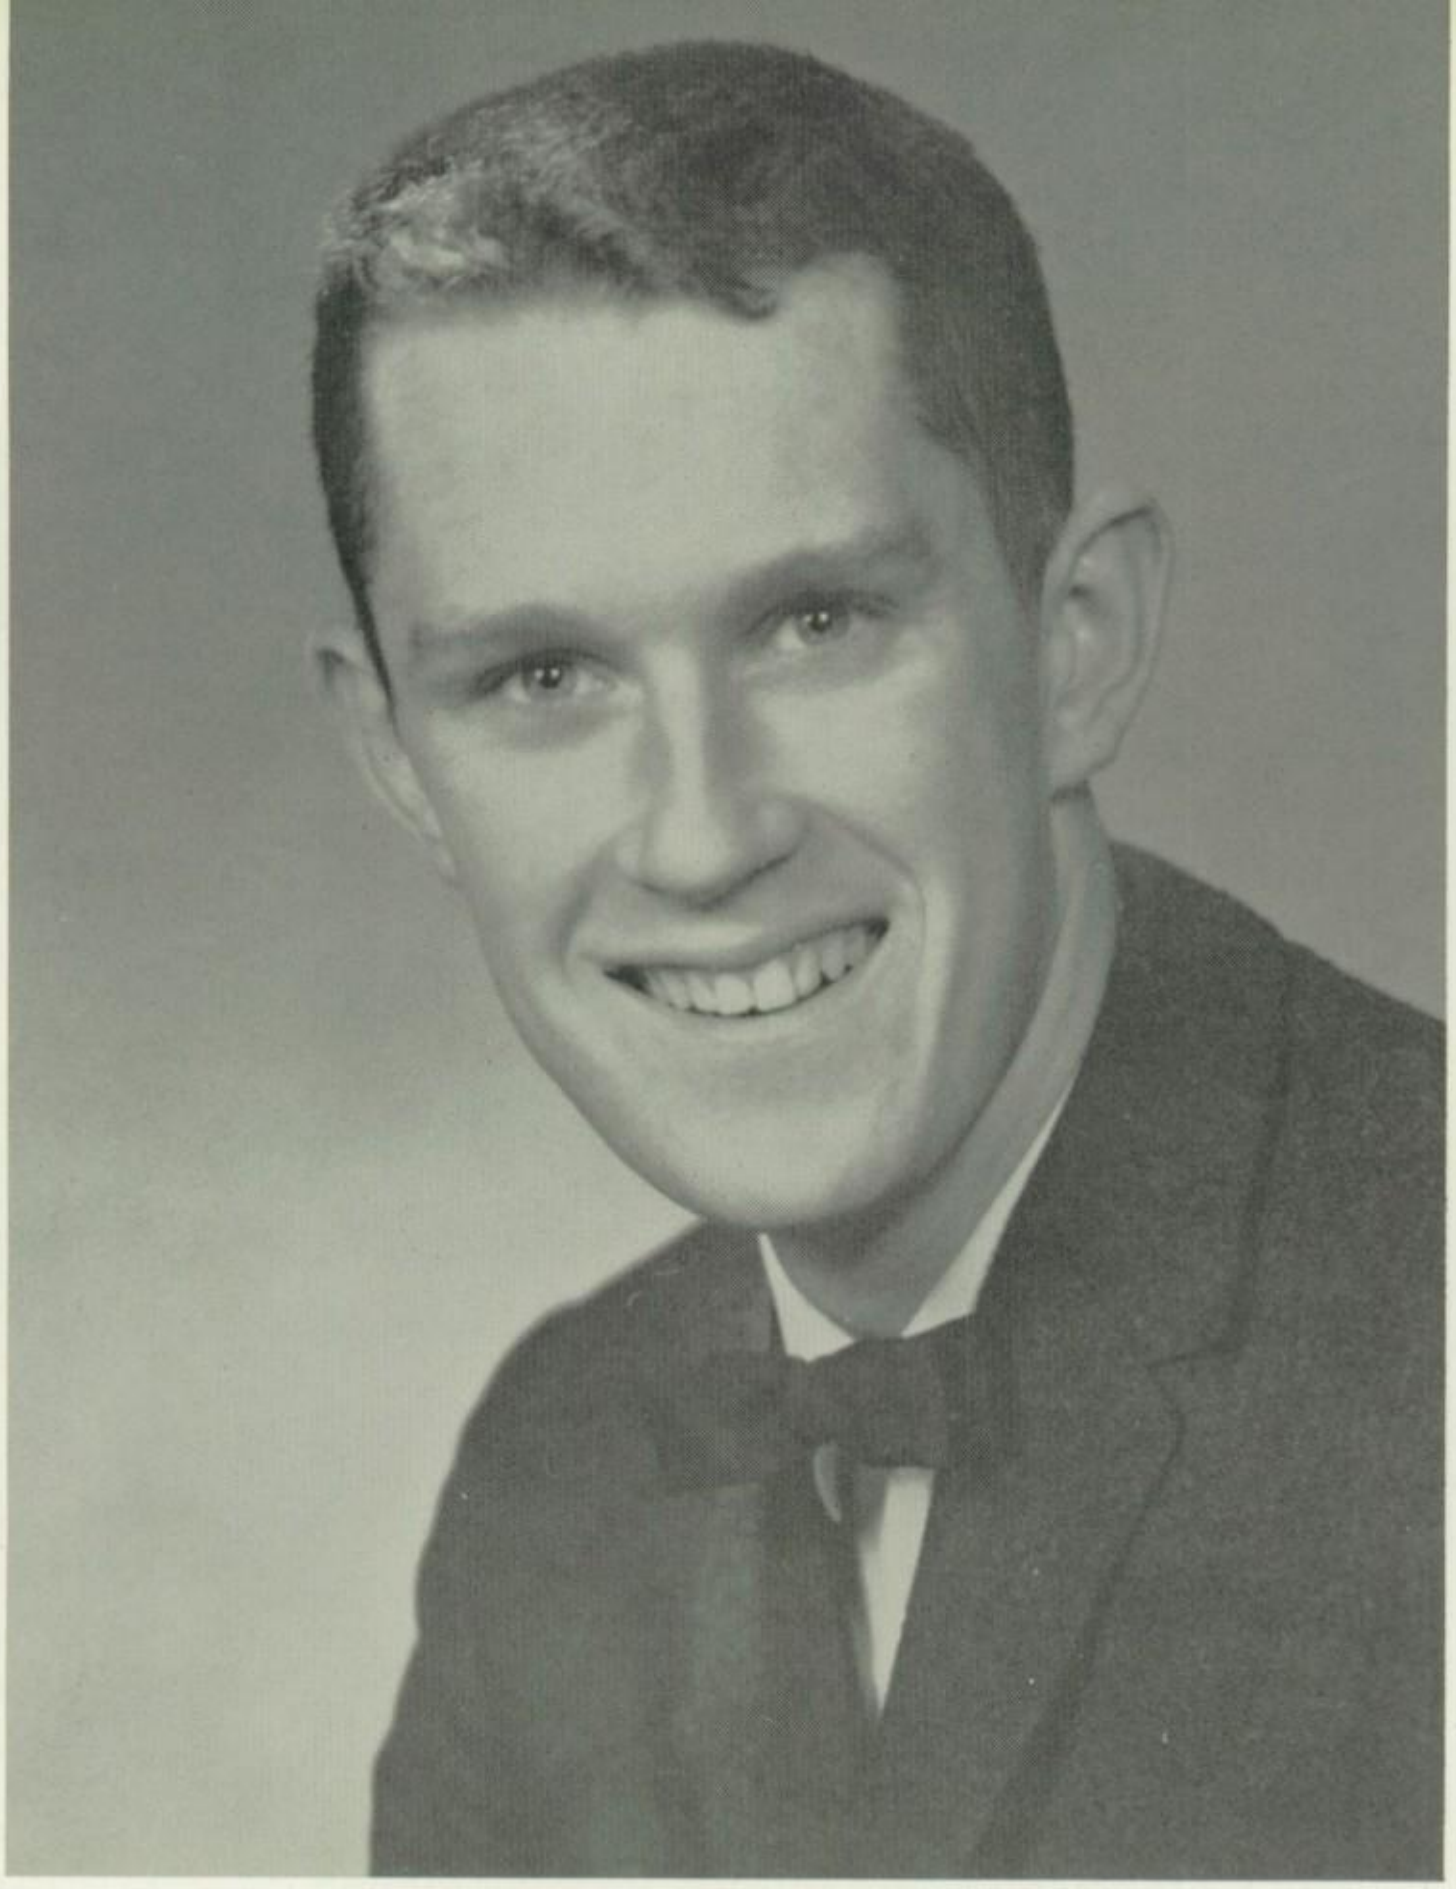
CLIMAXING THE DAY is the big game that night.



A.S.B. President

A lot of things worth remembering have happened this year. In the field of activities the homecoming celebration, with the bonfire, dance, and parade, was a complete success. An inter-class talent contest and school spirit contest spurred class competition. Membership in clubs greatly increased, and class meetings were more frequent. But these things do not tell the whole story of the year. Every one of us has something different to look back on. I, for one, can say that I have thoroughly enjoyed the year and that I am grateful to have been able to serve as student body president.

The Student Council set for themselves an ambitious program, the first phase of which was to teach class and club officers correct parliamentary procedure and to discuss certain problems in hopes of strengthening the club program.

Homecoming was a terrific success because of the hard and continuous work of the council and its appointed committees. Judging from its publicity, bonfire, and parade, the 1959-60 Homecoming was the best in the history of Roseburg High.

Another success was the apple machines, which earned so much money (over $500 — remember all the dimes you lost?) that it was difficult to determine how to spend it.

The inter-class contest was also a main interest of the council, and in this they did an excellent job of creating a competitive spirit among the classes. Additional interest was shown in Speech by the sponsoring of speech trips.

Other accomplishments existed in the setting up of an evaluation committee which evaluated the clubs and their activities, a school spirit committee, and an assembly committee.

Umpqua Staff

The lights in LA 4 gleamed brightly many an evening and on into the night while the Umpqua staff worked busily as deadlines drew nearer and nearer. Amid a conglomeration of typewriters, pictures, layouts, dummies (not including staff members), and plan sheets, the various staff members did their jobs. Our experienced advisor, Mr. Bodeen, was invaluable to us this year, as he brought us through many scrapes. Encouraging or threatening, either method used by editor Janice Stevens brought results. Helping anyone and everyone whenever she could was LaReece Hummel, assistant editor. Faced with the copy writing Janet Weikum re-wrote ideas many times. Index editor, Pat Dent, by this time has seen the picture and name of everyone at Roseburg High at least once. Attending to business matters, Janet Reed kept our books in order and our financial head above water. Handling the sports section was Bill Kelsay, and augmenting our budget by selling ads was Charlotte Bartram. Bill Friday designed the cover and division pages, while working closely with Dave Domenico, staff photographer. Doing the vast amount of typing were Ginger Harris and Shirley Birchfield.

New ideas are always of interest to an annual staff. Here LaReece Hummel and Janice Stevens discuss the probability of a new layout.

Administration

From its earliest beginnings the stream meanders toward its goal, following a course of least resistance to reach fulfillment in the ocean. For the stream to reach the ocean, it needs no direction.

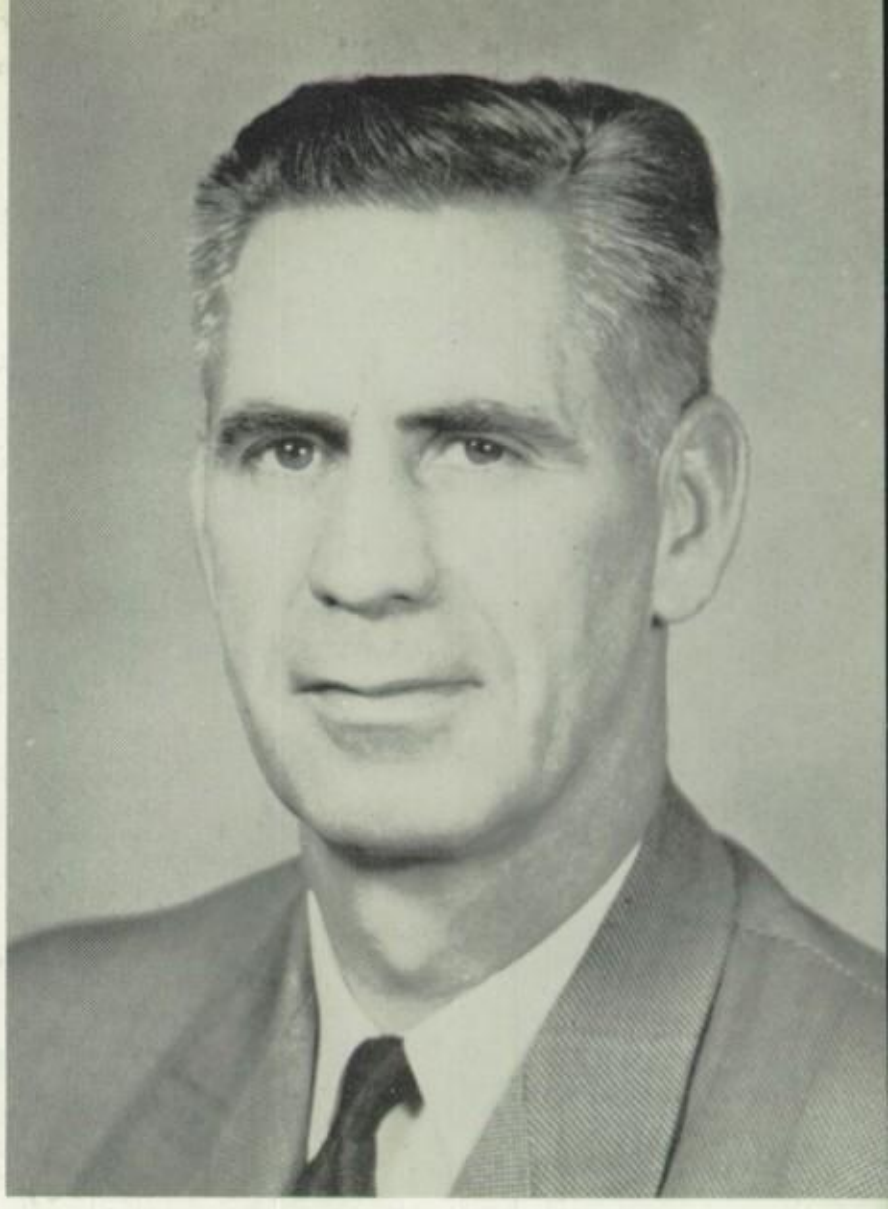
For the student, there must be more—not less—direction. Within the environment of our school this direction comes from our teachers and administrators, whose main wish is to instill a knowledge and understanding of the world today in the students who are about to enter it.

Teaching is not merely a job, it is a way of life. Good teaching is basic to the preparation of our youth for the future. Our instructors must guide us with extreme care, for our very way of life may be a direct result of their interest in or indifferent attitude toward their chosen profession.

Setting standards which will challenge the students whose ambitions are pointed toward college and encourage the others in fields of trade, business, industry, or homemaking, is the all-important job of our faculty. But, this is only the beginning!

Administration

MIKE DELLER — Superintendent



HARRY JACOBY — Assistant Superintendent

MR. M. C. DELLER climaxed his eighth year as Superintendent in the Roseburg School District. He and the school board presented to the public, via radio, television, and the newspaper, the various facets of a vital bond issue resulting, in part, from the Roseburg disaster.

Working closely with Mr. Deller, MR. JACOBY, who was promoted from high school principal to Assistant Superintendent, was faced with many jobs — conducting in-service meetings, hiring teachers, and completing the school census. In addition, he acted as consultant to the new, administratively appointed Teacher Economic Welfare Committee.

THE SCHOOL BOARD members freely gave of their time in a planning program which included the construction of two elementary schools, an addition to Joseph Lane and the introduction of a 6-3-3 system through the conversion of Fullerton into a Junior High.

SCHOOL BOARD: Vic Micelli, Clerk; Nels Lindell, Harold Hoyt, Art Lamka, Darley Ware, Dudley Walton, Chairman; Mike Deller, Superintendent.

Principal's Message

The importance of Education for TODAY and for TOMORROW cannot be stressed too much. Every one in America is making a greater effort to obtain as much education as possible. Students in Roseburg Senior High School, by and large, are very sincere in their efforts to obtain a good general education. Many, many students are working close to capacity and a few are working to capacity. The Faculty, Counselors, and the Administration are working diligently to assist all of the students in achieving their goals.

Besides the academic program, students should engage in worth-while activities. These activities supplement the regular program but do not take its place. Many students enjoy the satisfactions derived from vigorous participation in Athletics, Dramatics, Forensics, Journalism, Vocal and Instrumental Music, Clubs, Class and Student Body activities. These provide opportunities for additional physical, moral and social growth. This training in working together is the backbone of our democracy. You will be the citizens and the leaders of TOMORROW! Work hard TODAY because you are needed by our country for the exciting TOMORROW.

Seniors of the Class of 1960, I wish you happiness and success. Your TOMORROW starts TODAY!

Orville R. Bailey

RALPH TETERS, Vice-Principal

Their Jobs: Detail,

Helping students achieve optimum adjustment is the main objective of our two deans and vice-principal.

Mr. Teters spends much time taking charge of attendance, scheduling students and applying discipline in hopes of impressing upon the minds of the students the importance of good citizenship.

In Miss Randall's eleven years as dean of girls she has given much of her time before and after school in listening to the many problems of the girls and helping them make plans for the future. She is also advisor of C-12, Girls' League, and J. C. Aides.

Mr. Withnell, dean of boys, advises the boys, schedules students, and supervises the student council. He points students in the right direction by being a sympathetic listener and conscientious advisor.

ELIZABETH RANDALL, Dean of Girls

HAROLD WITHNELL, Dean of Boys

Discipline, Direction

Faculty jobs at R.H.S. were modified this year by the addition of the posts of assistant deans, which were capably filled by Mrs. Fread, assistant Dean of Girls, and Mr. Gruwell, assistant Dean of Boys. Their work consisted mainly of relieving the innumerable responsibilities of the two regular deans.

Mrs. Thorn, personal secretary to Mr. Bailey, oversees all the work in the main office and teaches the office practice girls the various facets of their job. Assisting her were Mrs. Rains, record secretary, whose job included preparing and filing all office records and posting attendance. Library secretary, Mrs. La Font, checked in all new books and did many other secretarial duties for the library. Having charge of all business transactions of the industrial arts department was the primary work of Mrs. Friend, Industrial Arts secretary.

ASSISTANT DEANS: Mrs. Fread and Mr. Gruwell.

OFFICE SECRETARIES are Mrs. La Font, Mrs. Friend, Mrs. Rains, Mrs. Thorn, and Mrs. Evans.

Language Arts Offers Variety

The large enrollment at Roseburg makes possible a greater variety of English courses. In addition to the course designed for the average student there are advanced classes for students who excel academically. For the slow learners, and perhaps the less interested students, remedial and basic courses are intended. The system also offers a variety of interesting related subjects including speech, creative writing, journalism, Orange R, and Annual. The foreign language plan entails French I and II, Latin I and II, and Spanish I, II, and III.

DISTRIBUTING TESTS seems to be one of the favorite jobs of teachers, but surprisingly enough Jan Simpson seems happy about it as Miss Turner hands her a

History Challenges Student Opinions

Encouraging the student to voice his unbiased opinion, the History department includes the many phases of society's development. The study of land surfaces, map reading, and comprehensive units on Oregon are featured in freshman world geography. Courses dealing specifically with past events but integrating the discussion of current news are U.S. history and world history, offered to sophomores, juniors, and seniors. The political and economic status of our country is analyzed and sometimes absorbed by seniors in American Problems.

Business Education Offers Variety

The business world, attractive livelihood for many, needs well-trained, ambitious young people to carry on in the future. The aim of the business department is to provide a basic background in this field which will enable interested students to obtain a stable job upon graduation or to further their education by taking it as a major in college. Credits are received from such courses as bookkeeping, typing, shorthand, transcription, office practice, and business law. By combining these courses, a student has an opportunity to gain a well-rounded background for business careers.

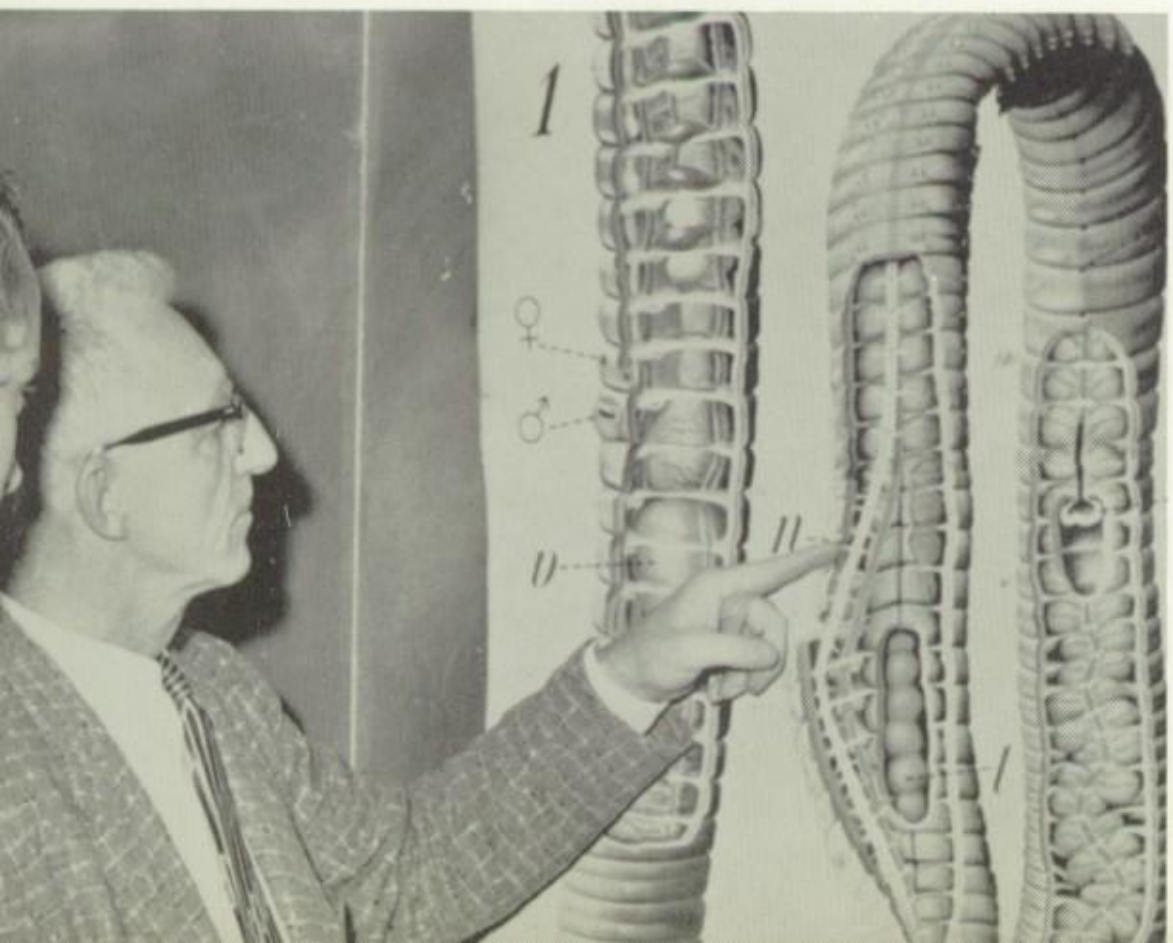
SPELLBOUND, Bill Brothers, Roger Amos, and Russell Hunt note those sections of a worm that Mr. Brady, veteran R. H. S. biology instructor, points out.



Science Stimulates Student Curiosity

With the ever-advancing world of today, a scientifically alert mind is extremely important. To produce such a mind, a great deal of money has been spent to improve the science program. Part of that money was used to buy a new chemistry laboratory.

Regarding the science program in general, the student is required to take at least two years of science and one year of math, or vice-versa. The freshmen take general science; the sophomores, biology; and the juniors and seniors, either physical science and advanced general science, chemistry, or physics.

Mathematics Challenges Many

The Math department has geared its courses to provide for individual differences. These differences are provided for in such general courses as Basic Mathematics and General Mathematics to the highly stepped up studies of Algebra II and Trigonometry. Students have an opportunity to expand their knowledge in the math field by taking the higher math courses, or they may take only one year of math. Unfortunately some students do not realize the importance of math and maybe only take two years to meet the college requirements. There are math problems every day of one's life and the better prepared he is to meet these problems the more confidence we develop in ourselves. The High School Math courses afford the opportunity to develop our knowledge in this field.

Students Develop Skills in Vocational Arts

The Vocational Arts courses teach students to apply creative ideas and practical knowledge to basic skills. Here students develop dexterity and skill in working with machinery and tools; girls unfold new talents in sewing and cooking. Courses are offered in Woodworking, Crafts, Shop, Metals, Mechanical Drawing, Auto Mechanics, Agriculture, and Home Economics. Ample opportunity is provided for all students to learn and apply these skills.

Physical Education Brings Relaxation

A quick, versatile body is necessary for a well-adjusted person. It is the main purpose of our Physical Education Department to produce such a person. Exercises and games such as tennis, football, basketball and volleyball are used to help develop graceful and agile bodies. P. E. is especially important because it helps relieve mental strain suffered by busy students. After ten minutes of strenuous kneebends, muscle-building pushups, then forty minutes of the current sport, the students are either relieved or absolutely dead. In addition to the stress on physical development, special consideration is given to the use of proper manners in social situations. Situations set up at school are ballroom dancing and square dancing, taken by both boys and girls.

Classes

The STREAM OF LIFE moves serenely on, growing older and wiser, never stopping, ever advancing toward its goal.

All students are ripples in the STREAM OF LIFE; they form the mighty current that is ever moving, sometimes quietly and at other times with a mighty force, but always forward.

These young people are the inspiration for new ideas and the basis for new developments. Through their efforts the STREAM OF LIFE will eventually realize its ultimate goals—security, happiness, service, fulfillment.

The freshmen are a little frightened and faced with more decisions than they have been used to making. The sophomores and juniors have a less trying year, but just as important and extremely busy. However, for the seniors this is the year for the decisions which may determine their entire future. With smiling faces they contemplate commencement. Cautious but courageous steps are essential in the approach to maturity and adulthood.

Freshman Class Officers

ROW ONE: Janet Canoy, Nancy Greenfield. ROW TWO: Trudy Esselstrom, Geraldine Miller. ROW THREE: Paul Brothers, Don Johnson. ROW FOUR: Bill Howard.

Boasting the largest class in the history of Roseburg High, with 415 students and the last freshmen (?) to be welcomed here, is the CLASS of '63. The officers were President Don Johnson, Vice-President Trudy Esselstrom, Secretary Geraldine Miller, Treasurer Janet Canoy, Representative Nancy Greenfield, and Sergeant-at-Arms Bill Howard. The Freshmen placed fourth in the inter-class speech contest and elected a spirited rally squad, which performed at all frosh football games. Class advisors were Mr. Edie, Chairman, Mrs. Lorraine, Mr. Roos, Mr. A. Thompson, and Mr. McAllister.

Sophomore Class Officers

ROW ONE: Gary Brumfield, Carol Hetrick. ROW TWO: Sylvia Rogndahl, Paul Nolte. ROW THREE: Courtney Healy, Ray Myers. ROW FOUR: Ron Fraback.

Sophomore class officers this year were President Courtney Healy, Vice-President Paul Nolte, Secretary Sylvia Rogndahl, Treasurer Ray Myers, and Sergeant-at-Arms Gary Brumfield. Representatives to the Student Council were Ron Fraback and Carol Hetrick. Successful money-making projects such as selling "letterhounds," and an apple sale at Christmas, were undertaken by the Sophomores. The Sophomores had slightly over fifteen per cent of the class on the honor roll the first nine weeks. In other competition, they scored third in the inter-class speech contest. A new thing — the electing of a sophomore class rally squad for the first time. Advising the sophomore class were Mrs. Broaddus, Miss Maxwell, Mr. Brady, Mr. Gruwell, and Mrs. Howlett.

Junior Class Officers

ROW ONE: Judy Alspaugh, Gerry Burgess, Janet Weikum. ROW TWO: Tom Thurber, Morris Kelley. ROW THREE: Jim Jarvis.

The Juniors were first heard from this year when they ignored criticisms of plays with small casts and Amish characters and produced PAPA IS ALL. Combining the proceeds from such activities as their play and a car-wash, they pulled off an even greater production — the traditional Junior-Senior Prom. Academically, they boasted eleven straight "1" students on the honor roll the first term (the seniors had two; sophomores, one; and freshmen, one). In speech, they came in second in the inter-class contest. Responsible for an ambitious class was a fiery leadership — President Morris Kelley, Vice-President Geraldine Burgess, Secretary Janet Weikum, Sergeant-at-Arms Tom Thurber, Treasurer Judy Alspaugh, Representative Jim Jarvis. Faculty advisors were Mr Scudder, Chairman, Mr. Larson, Mr. Hoffman, and Mr. Mattson.

Senior Class Officers

FROM THE BOTTOM: Bill Milne, Patty Dent, Bill White, Becky Roberts, Al Paar, Steve John.

The seniors were ably led by Steve John, President; Bill Milne, Vice-President; Becky Roberts, Secretary; Patty Dent, Treasurer; Al Paar, Council Representative; and Bill White, Sergeant-at-Arms. Though they ran into many obstacles with their traditional carnival, the spirit of this class was not dampened. Scholastically, they led all the other classes, with nineteen per cent of the seniors reaching the honor roll by merit of a 1.8 grade average or higher. They placed first in the inter-class speech contest and held a series of small projects during the year. in the spring, they presented the senior class play, with the proceeds going toward payment of graduation caps and gowns. Later, upon the invitation of the juniors, they attended the exciting Junior-Senior Prom, which was held in May. The senior banquet preceded a dignified baccalaureate and long-anticipated commencement. The faculty advisors were Mrs. Riffe, chairman; Mr. Bolen, Mr. Smith, Mr. Eskelson, and Mr. Hopkins.

Suspicions Confirmed! POPULAR senior, BECKY ROBERTS, yields to a temptation that has probably come over every senior who has taken physics. Although she looks quite gay about doing her part for the happiness of future physics students, one can be sure that she doesn't spend all of her time throwing books into wastebaskets.

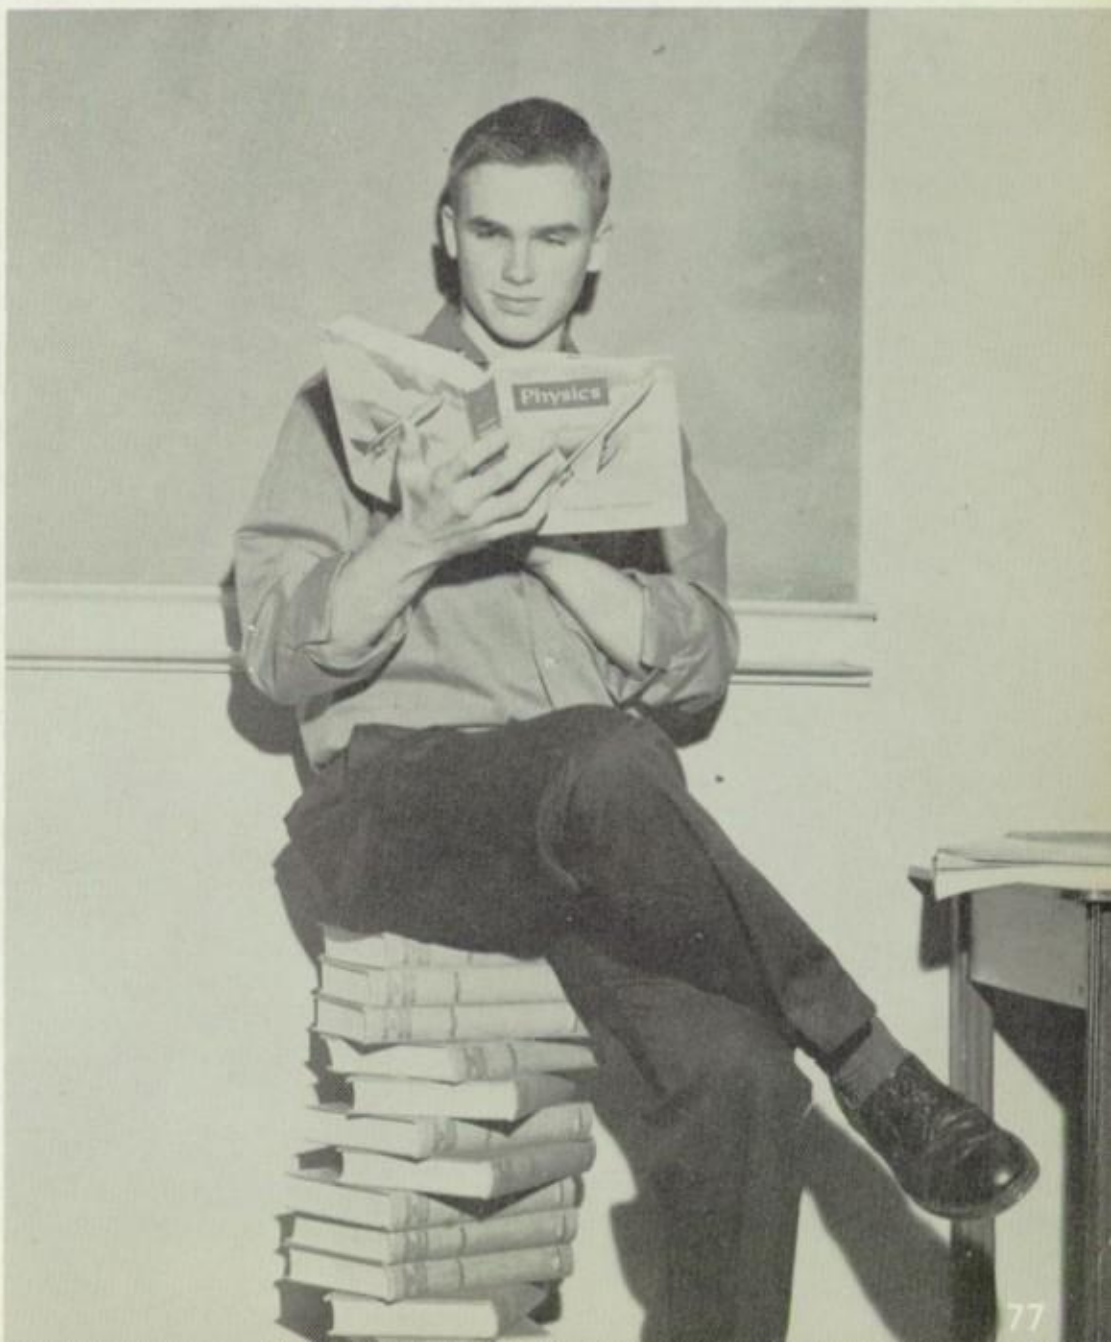
SPIKE DILLON is the SCHOLASTIC senior boy. Retaining an impressive grade point average and scoring highly on the National Merit tests, he has earned an enviable high school record.



The TYPICAL senior girl is ANNETTE LEHMAN. She may not be a teenage Einstein, but she is no dumbbell either. The apple? What else does she have time to eat between doing homework, practicing for rally, and going with a certain senior boy?

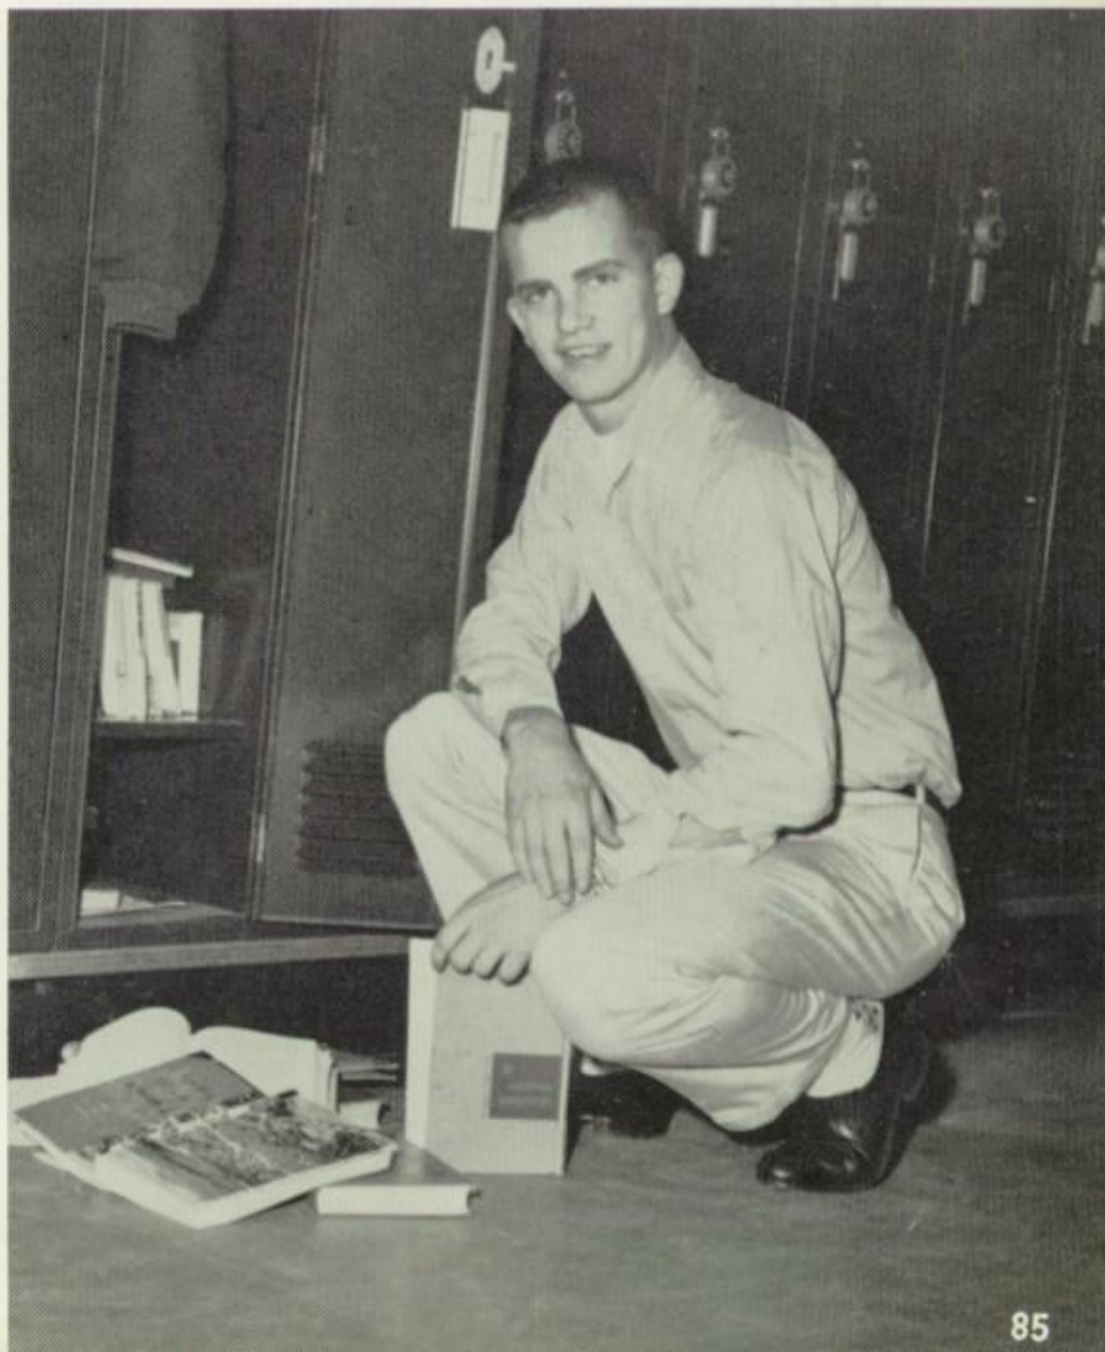
GOODLOOKING DICK WITHNELL has one of those only too common lockers that insist upon erupting books every time the door is opened.



SPORTS ENTHUSIAST, MARY LOU OWENS, probably could hit even this ball across the net. Because of her general interest and ability in many sports and activities, she is a typical senior girl.

While most teeners were viewing TV or chatting merrily together on the phone, JANICE STEVENS, CAPABLE editor-in-chief of the Umpqua, remained on duty at school in order to insure the keeping of three impossible deadlines. Jan's work consisted not only of giving orders, but also in direct participation — selling ads, writing copy, typing, drawing layouts, arranging picture taking schedules, and gently reminding the advisor that the staff members were a bit ahead of him again.

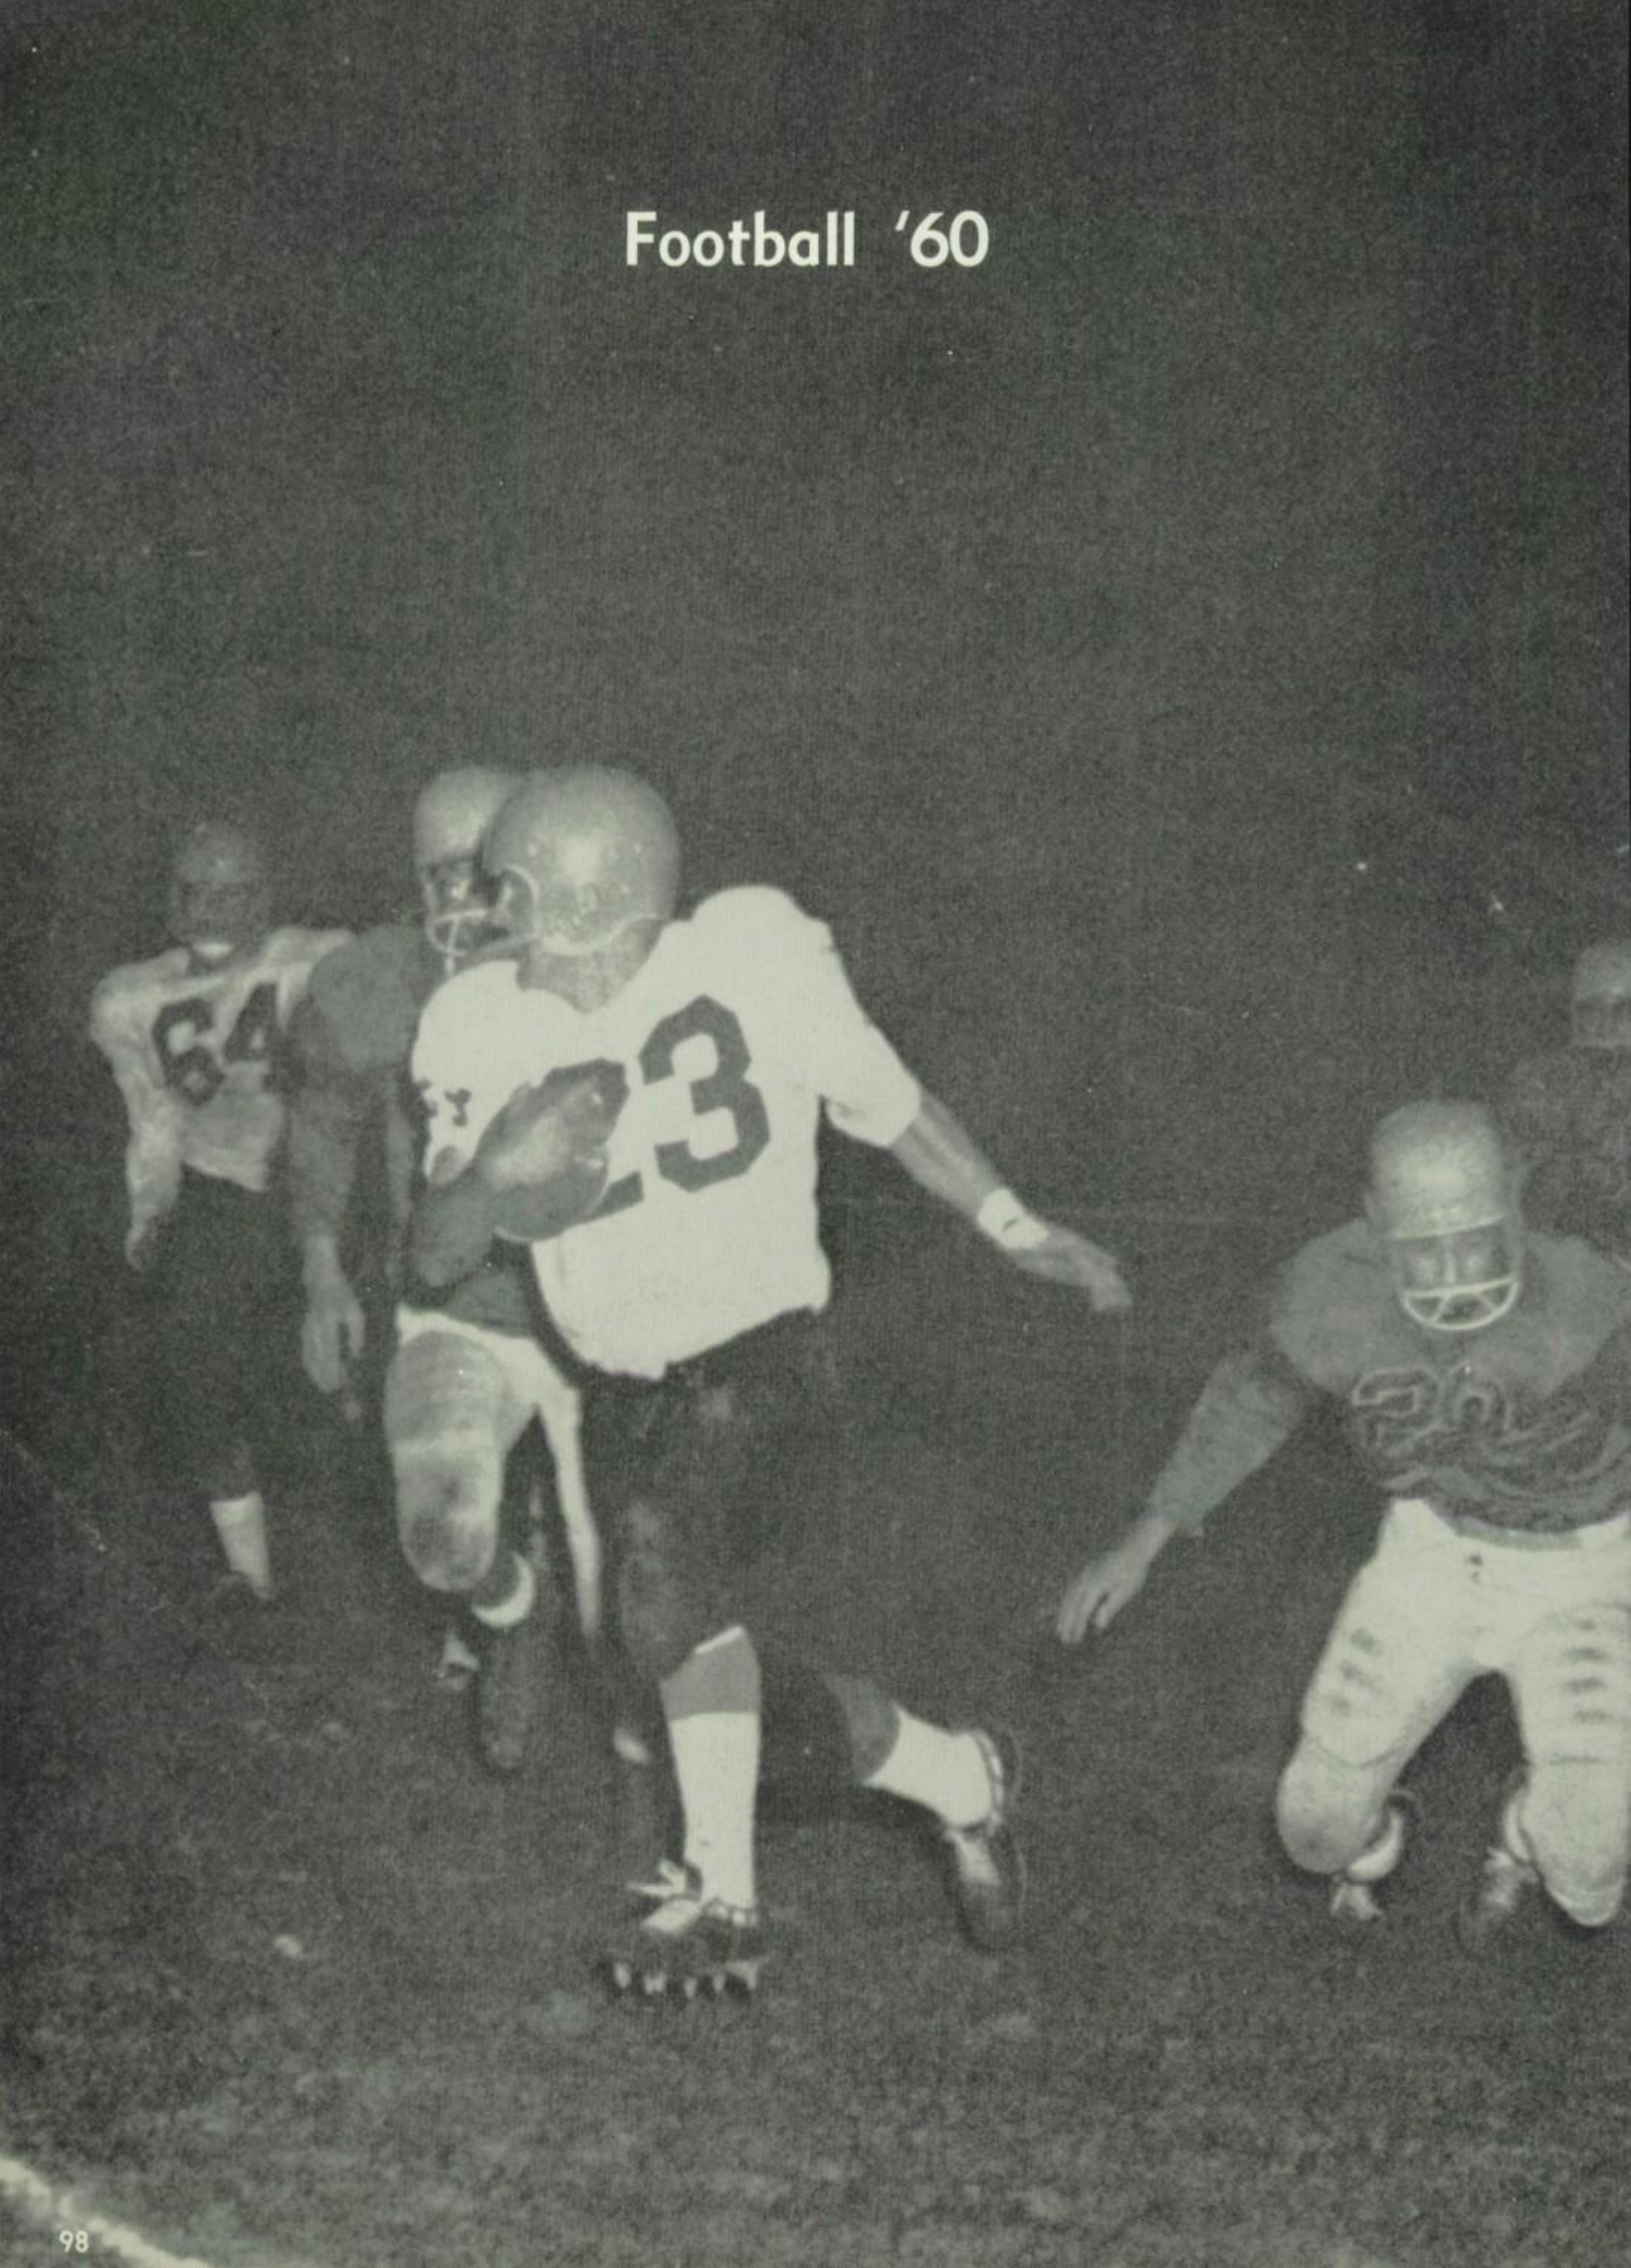
Sports

The river proves its mighty physical strength by exerting an uncontrollable and destructive force on itself and everything around it during its turbulent flood stages. The same power under control, however, produces electricity and irrigation for parched land.

In the STREAM OF LIFE, we strive to encourage sports as a means of channeling youthful energies that could prove to be destructive into an intelligent and orderly sports program. Football, basketball, baseball, wrestling, tennis, and track are sports which develop strength and use it in a constructive way.

It is possible for only a small portion of our students to participate in the athletic program on an inter-high school level, but the other students share in this activity by attempting to boost the morale of their fellow students, thus creating a strong school spirit.

Football '60



QUARTET—Pete Hopkins, Roy Thompson, Don Severson, and Bill Harper—take time out from a busy schedule.

Despite the team's two wins and seven losses, the '59-'60 squad was one to be proud of. Especially noteworthy were the high spirits of the players even in defeat.

To make for greater efficiency, Coach Roy Thompson divided the team into three units—the Go-Go team, a first offensive unit coached by Mr. Don Severson; the Head Hunters, a first defensive unit coached by Mr. Pete Hopkins; and the Suicide Squad coached by Mr. Bill Harper.

Less suicidal and a lot more entertaining was the football banquet sponsored annually by the Indian Club. A special feature of this banquet was guest speaker, Len Casanova, head football coach of the University of Oregon. An additional feature was the special recognition given Tom Thurber (Best Tackler), Syl Hunt (Best Blocker), and Bill White (Most Inspirational Player). Jerry Humphreys and Bill White shared the honors for Best Player of the Year.

ROSEBURG—21 COTTAGE GROVE—7

Roseburg, looking for revenge for previous defeats this season, softened the roar of the Cottage Grove Lions who threatened only once, but were stopped short by the Indians' fine defensive play. The Indians took over and blasted into the end zone with Bill White going the last 41 yards. Humphreys added the point-after-touchdown. Scoring twice in the second quarter on two Brundage-to-Miller passes, Roseburg took the lead. In the second period, the Lions scored their only touchdown to make the halftime score 21-7 for Roseburg. The Indians kept rolling as Humphreys and White each scored for Roseburg in the third quarter. Mike Brundage plunged into the end zone in the last period for Roseburg's final TD and the Indians' first victory.

NORTH BEND—28 ROSEBURG—24

Although the Indians threatened in the first half, North Bend dominated the game with two TD's making the halftime score 14-0. North Bend opened the second half with 7 more points. Then the Indians started a drive which ended with White's scoring. The Indians scored again after recovering a Bulldog fumble. As Brundage passed to Endicott to open the last quarter, Roseburg scored again. Then the Bulldogs scored what proved to be their winning touchdown. White scored for the Tribe, but two missed points-after-touchdown made the difference in the 28-24 score for North Bend.

NORTH EUGENE—25 ROSEBURG—20

Roseburg's first league game, although a loss to North Eugene, was an improvement over the three pre-season games. Roseburg drew first blood as Mike Brundage sneaked into the end zone climaxing an 80-yard drive. But Eugene retaliated by returning the kickoff and going 76 yards for their first TD, ending the first quarter with the score 7-6 in Roseburg's favor. Larry Miller scored the next touchdown on an aerial from Mike Brundage which was good for 27 yards. Eugene bounced back again to tally, making the halftime score 13-12, with Roseburg leading. Jerry Humphreys added 7 more points for Roseburg, but Eugene scored another 6, ending the third quarter 20-18. Eugene got a break in the fourth quarter by trapping Roseburg's punter behind the line of scrimmage, setting up their winning touchdown to make the final score 25-20 in favor of North Eugene.

ROSEBURG—13 SPRINGFIELD—0

In the final game of the season, Roseburg smothered the Springfield Millers. Roseburg started with a perfectly executed kickoff return as Bill White scampered 80 yards to the goal line untouched. This upset proved to be the Millers' back-breaker. Although Springfield threatened several times, Roseburg's fine defensive play stopped the Millers short of the goal line. In the third quarter a Brundage-to-Endicott pass added 6 more for the Tribe to produce a happy 13-0 win for Roseburg.

SOUTH EUGENE—27 ROSEBURG—20

The Homecoming game was a heartbreaker for the Indians. Ray Palm scored first for Roseburg as he grabbed a Brundage aerial in the end zone. South Eugene put 7 on the board, and Roseburg came back with Syl Hunt plowing in for the TD. Eugene again added 6 points to their score, but before the end of the second quarter, Brundage pin-pointed Miller in the end zone, giving the Indians a halftime lead of 7 points. South Eugene scored once in each remaining quarter while the Tribe failed to cross the goal line at all in the second half, making the final score 27-20 for South Eugene.

MARSHFIELD—28 ROSEBURG—13

Roseburg blasted into the Pirates and kept up a hard-hitting attack all night, but Bad Luck still plagued the Indians. Marshfield scored first on a pass interception. Then the Tribe smashed through the huge Pirate line and raced to a TD with Humphreys going the last 4 yards to tie the score at 7-7. In the fourth period, the Indians scored on a Brundage-to-Palm pass, ending the game 28-13 for Marshfield.

This game may be termed as a moral victory for the Indians, as their total yardage amounted to 344 while Marshfield's amounted to 228.

Rank With State's Top Hoopsters

Coach Curt Jarvis, in his first year at Roseburg, produced an outstanding team. The Indians played thrilling, fast-moving basketball, and many of the games were decided in the last seconds, two being determined in overtime. Highlight of the season was Roseburg's victory over the first-ranked team in the state, Marshfield, in a breath-taking 55-54 game. Outstanding players for the season were Lynn Baxter and Jim Jarvis. Winning over such strong teams as Grants Pass, Corvallis, Medford, Springfield, Marshfield, North Eugene, and Willamette, the Indians showed their fine competitive spirit and strong will to win.

COACH BILL HARPER

Baseball

Head Coach Bill Harper and Assistant Coach Art Thompson enjoyed another fairly successful season. The team ended the season with 9 wins and 6 losses despite bad weather, which made practice difficult, and sometimes impossible. The rain also caused the cancellation of 6 double-headers. Ted Kolberg was the top hitter for the season and Bob Scott also was outstanding.

Track

Nate Watson "from Stillwater, Oklahoma" transformed a bunch of "natives" into a hustling group of cindermen. As head track coach, he was assisted by Jim McAllister and "Bunny" Easter.

Although the team did not have a flawless record, many individuals did very well, and many records were broken. The 440 relay team, Lynn Baxter, Jerry Humphreys, Bill White, and Ron Pinard, scampered to a record time of 46.8 in the Roseburg Invitational Meet. Also for the record books was the 1.34.3 of the 880 relay team of Syl Hunt, Jerry Humphreys, Bill White, and Lynn Baxter. Lynn himself ran two R.H.S. record-breakers in the 220 and 100-yard dashes at 22.4 and 10 seconds respectively. At the district meet Bill White and Don Green earned the right to attend the state meet.

This year's freshman team, too, was a very good one. Throughout the season they broke eleven of the existing thirteen school records. Ray Palm won the 70-yard high hurdles and the high jump at the Northwest Junior Olympics.

Girls' sports, although not highly emphasized, plays an important part in the athletic program. Such outdoor sports as track, archery and tennis are enjoyed by the girls in spring and fall. During the winter indoor sports are stressed.

Activities

Through the ages many changes take place in the river. Without these changes its waters would become stagnant and unpleasant. Mother Nature prevents this idleness by keeping the river in perpetual motion and altering its course.

Stagnation in the STREAM OF LIFE, too, is forestalled by varying activities. Besides education and other phases of student life, such events as dances, royal courts, plays and operettas are of extreme importance in the developing of a broad-minded personality.

Orange R

Bringing news and ideas clearly, accurately and politely to the "Family" of R.H.S. is the creed of the ORANGE R staff, and once every two weeks the promise is fulfilled. Always on the lookout for news, the staff got its biggest story during Homecoming.

Sharing the burden of editorship were Co-editors Wendy Bingham and Larry Crain, assisted by Howard Sohn. Lynn Baxter and Bruce Babbitt kept the students informed concerning sports activities, and News Editor Carolyn Wassom and her assistant, Alison Glenn, kept eyes and ears open and pencils sharp to make sure no news slipped by them. Penny Bevans' "Guys and Dolls" and Janet Riley's "Really Riley?" columns added humor and variety to the publication. If the faces of Judy Hosford and Sandy Borcher were not seen too often during the ORANGE R period, it was because they were probably downtown selling ads to local businessmen. Working closely with them by keeping finances in the black, and handling any other business matters, was Sandy Brown, efficient business manager. Advising the staff was Mrs. Marie Hall.

Pumpkin Pow-Wow

The 1959 Homecoming was, tritely or not, the "biggest and best" R.H.S. has seen in a number of years. The alumni were surprised by many changes and new features. The old Homecoming bonfire was revived on the Thursday preceding the game. During the bonfire we had the traditional Rally and the queen and princesses were crowned. Then Friday the court and marching band paraded downtown to proclaim the Homecoming festivities to the townspeople. An atmosphere of excitement prevailed in the halls of R.H.S. The big question was: Will we win the game? Then came the climax . . . the game with South Eugene. We lost, but that didn't keep the crowd from the dance, which was sponsored by the Girls' League.

. . . the stack went up . . .

. . . and the fire burned it down.

Homecoming Court

All senior girls with a grade point average of 3.0 or better vie for the honor of being a member of the Homecoming court. Though many girls are worthy of being a princess, only seven receive this honor, and this after a student body vote, in which the girls with the highest number of votes become the court and the highest vote-getter becoming Queen. Queen Sue Ladd shall long remember her rule over one of the best Homecomings we have had. By her side were princesses Jo Anne Freeman, Kay Johnson, Carol Fray, Pat Fromdahl, Penny Bevans, and Annette Lehman. These girls were crowned at the rally. Friday they rode through the heart of town in convertibles to help publicize the Homecoming activities. Then during the game they paraded around the track in the same cars to the music of the marching band. Later they were introduced at the dance. This concluded a night full of memories for these seven girls, a night they will long remember.

Queen Sue Ladd reigned over the Homecoming activities.

Norman Hill, Ernie Foree, and Mary Clapperton lead the chorus in singing "Plenty of Pennsylvania."

The 1959 operetta was presented to an enthusiastic audience. Their attention was focused on a small Pennsylvania town called Bird-in-Hand, the scene for this delightful presentation. In Bird-in-Hand there lived the Amish, a strict religious sect, who were much against the things of the world. All went well until a young couple from the city came and introduced their worldly ways to the young people. Leading roles were played by Bob Scott, Marilyn Todd, Nancy Stewart, Jeremy Halladay, Tom Heinz, Alice Hamilton, and Ernie Foree.

Class of '61 Dramatizes "Papa Is All."

Living on a farm in Pennsylvania is a strict Mennonite family. Papa, a stern religious man, places on his two children restrictions which they resent. Jake, his son, displeased by such treatment, contrives a plan to get his father to leave. Through trickery, he puts Papa on a train, telling the family that "Papa is all" (i.e., Papa is dead). During Papa's absence, the family takes the opportunity to live a more normal life. As luck would have it, Papa returns but is sought for wounding a young man whom Papa believed to be a sweetheart of his daughter Emma.

Surprised by Papa's unexpected return, Cindy Sevall, Russ Steiner, Tom Wicks, Kathi Corkrum, and Joanne Stevens await Dennis Alexander's explanation.

Class of '59 Presents "Life With Father"

Father is a domestic tyrant whose bark is worse than his bite. Convinced that his word was law, he proceeded to keep things in constant turmoil. What really vexed Father was Mother's inability to keep the account book as he had taught her to do. Because of the simplicity of charging things, Mother was continuously piling up large bills, and at the end of the month Father would rant and rave, and then finally give up realizing that the matter was hopeless.

Clubs

Bubbling springs and trickling little brooks tumble excitedly down the jutting mountainside, into the river, building it in body and strength. It is the joining of these tributaries which actually aids in the growth of the river.

By joining people in organized groups, our STREAM OF LIFE also begins to grow. Maturity of the stream can only be reached through the combined efforts of many.

Maturity is developed by forming clubs which work together for the betterment of the school and its members. The goals of these clubs, ranging from service and charity to athletics, are significant in the development of responsibility in youth.

Nu Delta

Nu Delta meetings range from recordings, gospel chorus singing, music charades, films, and student talent, to guest speakers from the local ministerial association, Billy Graham recordings and a surprise visit and greeting from the Governor of Oregon.

One of the club's main projects is raising money for a $200 scholarship which is presented annually to a deserving senior member shortly before graduation.

President Larry Totton presides over weekly meeting.

Janet Weikum sets up cake sale, the proceeds of which will go to a deserving scholarship winner.

GOVERNOR MARK HATFIELD

As Governor Mark Hatfield walked into a meeting of Nu Delta, his visit evoked a series of enthusiastic squeals and shocked expressions. After the initial surprise, Oregon's handsome number one man delivered a short address, an excerpt of which follows:

" . . . I should hope that in Nu Delta you would find not only a new opportunity, but a challenge to dedicate yourself not just in words only . . . We need, not more religious people in this country, but more truly intelligent, dedicated people who call themselves Christians, who will really be in every aspect of their lives followers of Jesus Christ. That can only happen as they are aware of His teachings by reading and studying the Bible and its truths, and also by their dedication to God through their prayer life. . . . We have to tell others about our faith, so that they can share what we have come to know as great in our own life, the power of salvation of Jesus Christ. To me that is the opportunity of Nu Delta, that is the responsibility of every Christian, and that is the future and the entire foundation upon which we can hope for a powerful and strong America to meet the challenge of this world. America is only great as long as America is true to her heritage of faith in God."

Nu Delta

Nu Delta, including a membership of well over 150 and representing some 25 churches in the community, had another fine year under the able leadership of President Larry Totton, who was willingly assisted by Steve John, vice-president; Betty Buckwalter, secretary; and Janet Weikum, treasurer. Plus these were an ambitious cabinet: the teacher sponsor, Mr. Rockwell, the parent sponsor, Mrs. Art Lamka, and ministerial sponsor, Doyle Dobbins. Activities for the year included the presentation of the ninth annual Easter Assembly, an exciting spring Formal Banquet at which a trophy was presented to the outstanding member, and the awarding of $300 in scholarships ($100 of which was donated by a local business man and $200 furnished by the club).

Library Club

Library Club was composed of girls who took library as a class. These girls published book lists, performed various services for the teachers and students, and spent much time at the circulation desk during the morning and noon hour. Mrs. Monger was the encouraging and helpful advisor for this club. The club was under the leadership of Ann Hatterscheid, president; Freida Severson, vice-president; Linda Pippin, secretary; Judy Stewart, treasurer; and reporter Sharon Counts, Eva Batson and Kirsty Williams.

J.C. Aides

Beginning the year with a record enrollment of new members, the JUNIOR COMMUNITY AIDES were able to start their program of assisting at the hospitals early in the year. In addition to this worth-while community service, J. C. Aides sent money to CARE for medical books and offered a scholarship of $100 to a deserving senior girl who has been active in the club and who plans a medical career. Officiating for the year were Judy Stewart, president; Carol Geddes, vice-president; Ann Hatterschied, secretary; Judy Nordling, treasurer; Judy Piper, point chairman; and Freida Severson, probation officer. Miss Randall advised the girls during a most successful year.

Beth Randall Tri-Hi-Y

Beth Randall Tri-Hi-Y, organized in 1957 for the purpose of creating and maintaining high Christian character in the lives of young girls, is directly affiliated with the YMCA. Providing strong leadership were Maureen Hallmark, president; Judy Glenz, vice-president; Cindy Sevall, secretary; Judy Christenson, treasurer; Sherrill Chapman, chaplain; and Beverlee Howard, parliamentarian. Mrs. Simonson lent much of her time in advising this group. At Easter and Christmas a basket was prepared and given to someone in need. Ushering for the Messiah, donating money to the 'Y', and selling candy were a few of their many projects this year.

Hi-Y

Creating and maintaining high Christian standards is the purpose of the Hi-Y. Each month, one Sunday was set aside in which the entire club attended some church in the community. Their activities and projects this year included sponsoring two church league basketball teams, and an impressive joint induction ceremony with the Tri-Hi-Ys. They also sponsored the annual Twirp dance and during the spring, went to the coast. Bill Milne served as President, and was assisted by Vice-President Larry LaRoque; Secretary-Treasurer Larry Murphy; Sergeant-at-Arms Jim McGhehey; Chaplain Corky Hebard; and Advisor Mr. Eskelson.

Through this year's activities they have been guided by advisor, Mr. Shinn, and four capable officers—Bernie Young, president; Ed Lorenzen, vice-president; Brian Pargeter, secretary; and treasurer Bruce Babbitt. Much time was spent assisting the Kiwanians with the Pee-Wee football Jamboree and the Aunt Jemima Pan Cake Feed. A pet project of the club was campus improvement, and newly painted trash barrels were a result of this project. Another "KEY" contribution to the school is the annual Sweetheart Ball, the main semiformal dance of the year.

A year full of activities was engaged in by the Roseburg Chapter of the FUTURE FARMERS OF AMERICA. Skills in judging were encouraged in hopes of promoting fundamental knowledge for better methods of farming. Livestock-judging delegations from this club attended the State Fair and Pacific International Livestock Exposition in Portland. Soil judging was also stressed and the boys attended soil-judging contests in Eagle Point and Phoenix, Oregon. Leading and advising this club were President Steve Chitwood, Vice-President Lyle Wait, Secretary Bob Daniel, Treasurer Leland Sand, Sentinel Steve Sand, and Advisor Homer Grow. They received leadership training in a leadership workshop in Grants Pass. Two pleasurable activities this year were a Parent-Son, and bowling party with the Future Homemakers of America. A charitable project for the year was a one-hundred dollar donation to the Y.M.C.A. building fund.

Les Saucissons

LES SAUCISSONS (the Little Sausages), advised by Mrs. Fread and led by President Sharon Neavoll; Vice-President Sherrill Chapman; Secretary Connie Wright; Treasurer Jerilyn Jacoby; and Historian Gwen Robinson, was organized this year. Among the activities was a French Christmas party at which the members attending dressed in French costume and enjoyed the delicious French dishes which were served. Later, in January there was the occasion of an open house at Mrs. Fread's home. At that time Mademoiselle Florence Degremont, a French exchange student attending the University of Oregon, told of her people and customs. At a later date, Miss Houston was a guest speaker at a banquet held in honor of the club members' parents. The menu at this banquet was typically French.

LES SAUCISSONS' LEADERS: Sherrill Chapman, Mrs. Fread, Sharon Neavoll, Jerilyn Jacoby, Connie Wright.

Los Conquistadores

The students in LOS CONQUISTADORES had perhaps the greatest incentive for their money-raising projects of any club at R.H.S. Their stimulus was the hope of taking a trip to Mexico during the summer of 1960. Many hours were spent devising practical plans to make this dream of so many Spanish students come true. Other activities were a gala Christmas party and the publication of an all-Spanish newspaper. Officiating during the year were President Candy Collins, Vice-President Walt Edmonds, Secretary Marla Broszio, Historian Spike Dillon, and Reporter Larry Crain. The advisor was Mr. Berton Bailey.

Dilettante officers are Janice Gadway, Carolyn Wassom, Bill Friday, and Candy Collins.

Dilettantes

All students wishing to use their creative ability after school may join the art club. The DILETTANTES performed many services for the school and outside organizations. They created posters and programs for the Senior and Junior class plays and the operetta. They printed programs for the Eugene Businessmen's Association and for the Southern Oregon Businesswomen's Association. Making Christmas cards was another activity of this club.

Speech and Drama

Combining the forces of the SPEECH and DRAMA club resulted in an improved program. Enrollment augmented, and requests for presentations of plays and skits flooded the club in ever-increasing numbers. The Wizard of Oz, the big project for the year, was presented in February for children in the community. Smaller productions, but just as enjoyable, were the special skits for Girls' League and pep assemblies. Sparked by the leadership of Billye Whorton, president; Marilyn Helland, vice-president; Spike Dillon, secretary; Diane Olson, treasurer; Wendy Bingham, point chairman; Pat Dodge, sergeant-at-arms; Sylvia Rogndahl, historian; and Mr. Hazen and Mr. Lanier, advisors, the newly merged club realized many marks of achievement.

Tumbling Club

TUMBLING CLUB was organized for students who are unable to do enough tumbling in physical education classes. The officers were Margaret Bryon, president; Marrianna Fray, vice-president; Rebecca Hill, secretary-treasurer; and Jolene Proctor, publicity chairman. Miss Borders, advisor, worked closely with the officers and members in making plans for special performances. Many hours of preparation were necessary for the presentation of two acts; a tumbling ballet and trampoline performance which were given during halftime at two basketball games.

PEPSTERS is an all-girl club whose main purpose is to create school spirit within the student body. Since freshmen were able to join for the first time in several years, the club boosted its membership to one hundred and fifty girls. New uniforms, purchased in September, truly accented the Pepster section. Money-raising projects for the year included selling mums at Homecoming, cake sales, and a style show for the community, kept the girls busy in their spare time. Buses were taken to out-of-town games, and a "player of the week" award was presented to the outstanding athlete of each game or match.

Led by efficient officers, Patty Dent, president; Darlene Butler, vice-president; Adair Flann, secretary; Janet Reed, treasurer; Judy Nordling, attendance secretary; Carolyn Turner and Pat Moran, sergeants-at-arms, and Gail Brittson and Helen Benson, point chairmen, the club realized a successful year.

All Varsity lettermen have the opportunity of becoming members of Varsity R. This club introduced a new policy this year whereby the Junior Varsity lettermen could become members on a probationary basis. They did not have voting power but surprisingly enough they had working power! The club's major activities included lining the field for Homecoming, cleaning up after the bonfire, putting up the "Basketball Tonight" signs, selling popcorn at football games, and ushering at basketball games.

Music

Lapping musically against the bank, the waves of the great river produce a tranquilizing effect. Their peaceful rhythm intermingles with the rhythm of the ages. Since time began, music or rhythm has existed in some sense.

In the STREAM OF LIFE, appreciation and understanding of music are considered essential, for they contribute to a better-balanced personality. This is the goal striven for by our Music Department at R.H.S. Classes such as Mixed Chorus, Girls' Glee, A Cappella, and Band teach methods of creating and appreciating all types of music. From just such classes as these have come many famous musicians and vocalists.

Majorettes

While spectators drew frosty breaths, Roseburg's six pert majorettes performed vivaciously during football season, complementing the marching band's halftime shows. And when the spectators went inside for basketball, these peppy strutters were there to entertain during halftime. Practicing daily, devising new routines, and performing with the band in downtown parades, they were in tip-top shape when they were featured during Roseburg's halftime presentation at the Oregon State-Stanford football game at Corvallis in November. These high-stepping girls added spice and color wherever they appeared.

Practices and more practices resulted in a top-notch Marching Band. Directed by Mr. Robert Lenneville, the eighty members spent many hours in rehearsals for all home game halftime shows. Band officers included Jim Keefe, president; and Kay Pilger, secretary, plus a fleet of assistants. Highlighting the year's activities was a pre-game performance at the Oregon State-Stanford University football game in Corvallis on November 14.

A CAPPELLA CHOIR

A Cappella

Membership in A Cappella can be gained only through an audition which is held each spring; thus, students wishing to enter the choir must show a certain amount of talent and experience in the vocal field. A thrilling event for all the members was an invitation to attend the Jester Harrison Festival in Eugene. This was an eventful occasion since only six schools out of the state receive invitations to attend.

Mr. Robert Robins, director of Girls' Glee and A Cappella, has been with R.H.S. for the past eight years. Much credit is due him for the many hours spent in preparation of our operettas and other vocal music activities.

The river moves continuously on as does the STREAM OF LIFE, but this motion includes a series of cycles or stages. Just as the end of one cycle of our river draws near, so another stage in the STREAM OF LIFE comes to a close, leaving behind varied memories.

Most often, memories of pleasant events such as that special date or the first big dance remain vivid, and the bustle in the hall between classes and the hum of voices in the class room are also included in the memories of our exciting student life.

Through the next few pages of our book some of these memories have been captured for your enjoyment in the years to come.

RHS Scholars

Pictured on this page are Roseburg High students, who received high scholastic ratings in the National Education Development Test which was given to freshmen and sophomores in the spring of 1959.

Ranking top scores in the National Merit Scholarship Test were Chuck Allen, Darry Callahan, Ed Lorenzen, Mike Murphy, and Larry Crain. Of these five boys, Darry Callahan qualified for the second test. Should one receive a high rating on this test, he would automatically be eligible for a National Merit Scholarship.

Budding Scientists

The ideas of these young rocketeers will some day be essential to our national security. They have spent many hours developing various types of rockets, and during a three-year period of working together, they devised and launched a small rocket which acquired state recognition for being the first rocket recovered from a record altitude by amateur scientists. This feat made both Roseburg Senior High and the community proud of these boys, who, at the latest report, were continuing their experimentation.

Charter members Jim O'Brien, Garry Kenny, and Gary Shinn pose with their benefactor, Mr. Pierce.

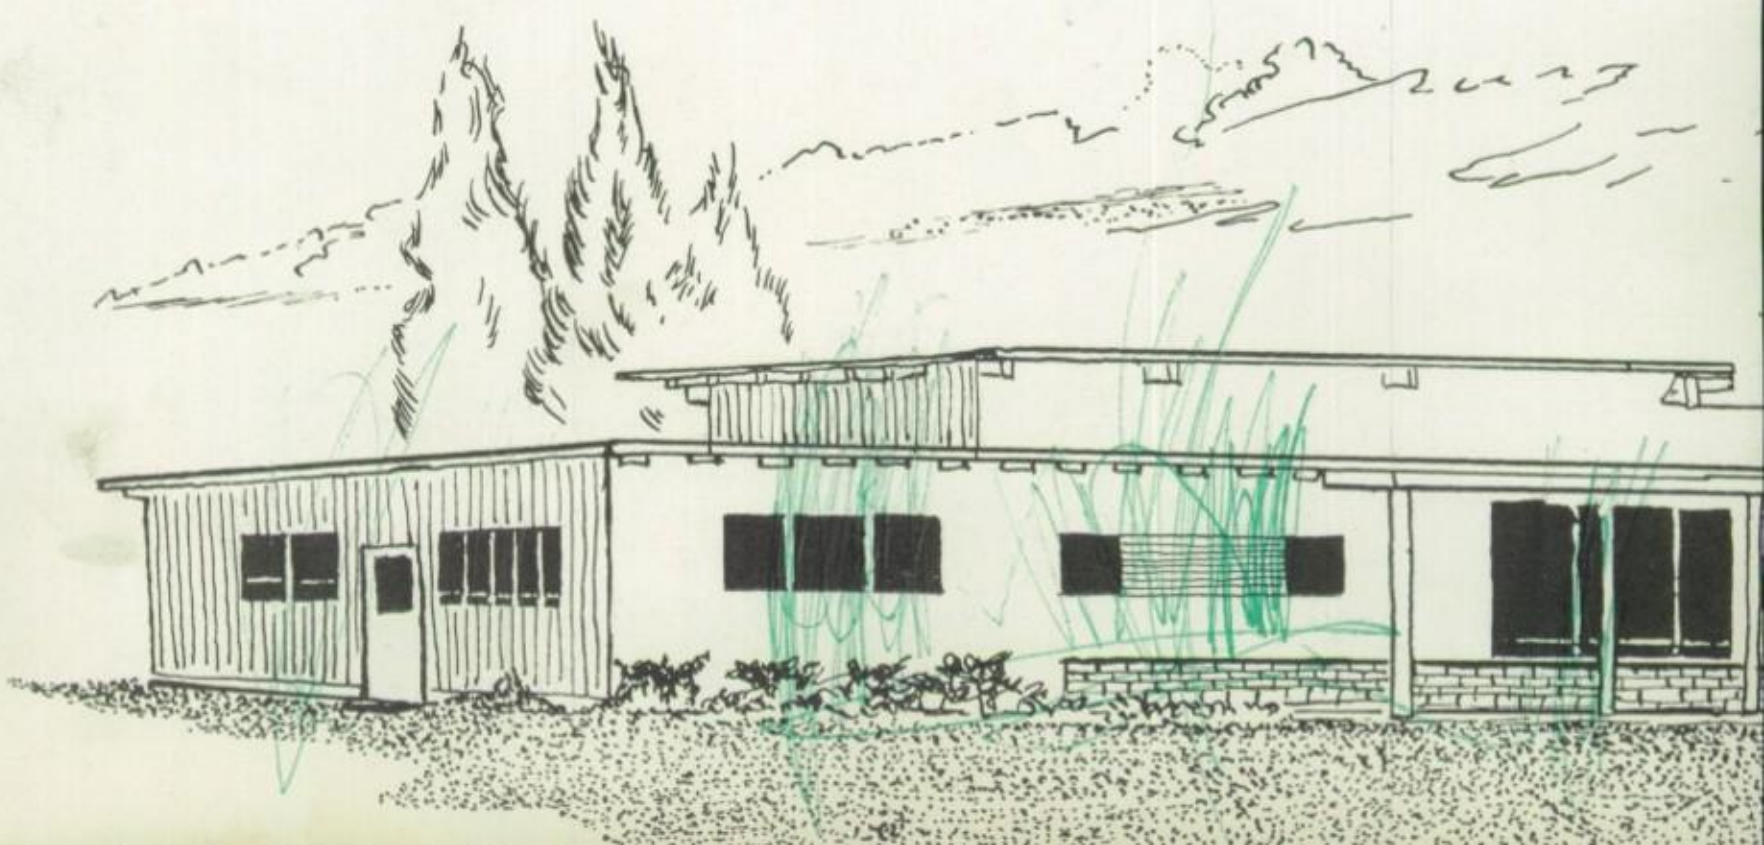
Barbara Jones steps lively as the light turns red in hopes of adding inches to the freshman "Mile of Lettuce."



. . . To the Tune of $2419.28.

Garnering more votes than muscular dsytrophy, polio, or the drag strip, the YMCA became the target for this year's drive. Students raised money for the Y by working on several projects —freshman "mile of lettuce," sophomore car wash, junior rummage sale, and senior steak dinner. The freshmen amassed the greatest number of dollars, collecting $1055 plus whatever amount could be earned through the sale of a donated '51 Plymouth. The sophomores came in second with $666; the juniors, third, with $352, and the seniors, last, with $345. The GRAND TOTAL of $2419, to be matched by an indefinite number of local business establishments, gave the "Y" Drive real momentum.

With flourishing hoses, willing hands, and good senses of humor, the sophomores washed cars in the "Y" Drive competition.

Wielding some elbow grease for the "Y," Larry Mehlhoff does his part for the junior class.

Preparing for the masses, Kay Pilger, John Dunn, Rugene Gee, Myrtle McLaren, Judy Hosford, and Ginger Busenbark assemble tableware for the senior steak dinner.

Cooks and Custodians

The Roseburg Senior High administration, faculty, and student body would like to thank the cooks and custodians for all the services they have rendered throughout the 1959-1960 school year. The custodians, for keeping our campus pleasant and attractive, and the cooks for keeping us happy and well fed.

Dear Carol,

Since I've known you I've really had fun espiially at the Halloween Party when I met Carey. When we went out on the double date we had fun too. Since then you've met Bob and I've met a lot of other boys. I sure hope we can always be real good fainds and lots of luck in the future.

Fond always
Artha Hardmyer
Butch

Dearest Carol,

I want to wish you all the luck in the world with Bob. I'm very happy for you. Because you have had bad luck with since I've known you. But now your luck has changed I hope. Good luck to a very sweet girl, with a wonderful personality & your sweet smile. Carol I wish I could be as beautiful as you. To me your the most prettyist girl in school. Good luck again with Bob. Your engaged must ring is just beautyful. Best Wishs to you & Bob.

With Love

Carol,

Best of Wishes To you and Bob. You both deserve all the Luck.

Remember all the fun we had in school. The good ole days (Ha! Ha!)

Remember the time we ran out of Gas out at Kay's and had to go get your Dad to tell us what was the matter.

P.S. Don't change I like you the way you are!

Love Ya!
Jeannie

Dearest Carol;

I want to wish you a very happy birthday and may all your birthdays be happy from now on. I think that you a real sweet girl and I hope that you stay that way for ever.

I think that your one of the sweetest girl I have ever hung around with in all my life and I also hope that we will be friends for as long as you or I live. I want to wish you and Orval the best of luck in the world because you deserve it.

Love always

Andy.

I must to tell
you one thing for
your own good stay
away from Bob because
if you don't I'll knock the
